Robert,

Attached is the response to Weston's potential COI notification for the Clean Harbors site. If you have any questions, please don't hesitate to ask.

Subject: Potential COI -- Clean Harbors

Please find attached a notification of potential COI associated with the above-referenced site that START mobilized to on 18 December. At this time, we have demobilized from the site, and do not anticipate a need to make a return visit. We intend to continue to perform tasks as assigned by the OSC unless we hear differently from you.

Please let me know if you need any additional information.

Robert B. Beck, P.E.
